

Diagnosis Checklist

- How do you know I have this?
- Should you do more tests to confirm the diagnosis?
- What treatment options do I have?
- What if I don't get it treated?
- Is there anything I can do to control the condition?
- Would a second opinion be beneficial?
- Who is the best in the world at treating this?
- Where would you go, and what would you do if you had this disease?
